

EducationUSA Opportunity Funds Application

U.S. Embassy Port Louis

The EducationUSA Opportunity Funds for the year 2013 are reserved for highly qualified students who are likely to be awarded substantial institutional financial aid, but who have difficulty paying the up-front costs of applying to U.S. universities. The application is open to students who are currently in Upper 6 or have already finished their HSC, and who are interested to apply/have applied for a Bachelor's degree in the U.S.

The Opportunity Funds may go towards covering testing fees, university application fees, visa application fee, airfare, and other eligible costs, depending on where you have arrived in the application/admission procedure. This grant will not be able to cover the university expenses; it is intended to help cover part of the application and admission process only.

We reserve the right to assign the Opportunity Funds for a specific criterion, e.g. testing, but you may indicate your preferred area of need in the 'Personal Statement' section of the application.

The deadline to submit this application is **Monday, March 25th, 2013**. We will contact you if you have been selected.

Kindly note that priority will be given to students who are already members of our Advising Center, and that leadership and community engagement will be highly valued.

Along with the application, please provide the following documents:

- Certified true copies of O'Level and A'Level certificate (or U6 forecast grades)
- Original/Certified copies of income statements of working parent(s), or proof of household expenses, for the past 6 months
- Admission letter from U.S. colleges (if applicable)

Please fill in the fields where applicable to you. If not applicable, kindly provide an explanation.
